Subject: Inspection of the Millard County Class I Landfill

Dear Ms. Dekker:

The Class I Millard County Landfill was inspected by Matt Sullivan of the Division of Solid and Hazardous Waste and Wade Tolbert of the Central Utah Public Health Department on October 29, 2008. We appreciate the assistance and cooperation of Mr. Phil Lovell during the inspection.

The landfill was well managed and operated. During the landfill inspection, there was very little wind-blown litter noticed. Considering the windy location of this landfill, litter usually poses a challenge, and we appreciate Mr. Phil Lovell, his staff, and temporary help in minimizing blown and scattered litter. Landfill operations were properly addressed and controlled. Required documents were well managed and kept in the landfill office. Please continue to regularly use the Quarterly Self-Inspection forms and be sure to include any visible problems noted and corrected. Thank you again for your cooperation.

Should you have any questions, please call Matt Sullivan or Ralph Bohn at (801) 538-6170.

Sincerely,

**Original Document signed by Dennis R. Downs on 11/25/08**

Dennis R. Downs, Executive Secretary  
Utah Solid and Hazardous Waste Control Board
